LAMORINDA ARTS ALLIANCE

Founded in 1994, Lamorinda Arts Alliance is an organization of local artists and friends who reside or work in the San Francisco – East Bay area. Its purpose is to provide coordination, education and service in order to promote and increase knowledge, appreciation and practice of the arts, and to enhance the cultural development of Lafayette, Moraga, Orinda and the surrounding East Bay communities. The group seeks to foster a better appreciation and understanding of art within the community and encourage the exchange of ideas for the mutual benefit of all members through its programs, exhibits and other activities within the community.

[illegible]

For artists, membership encourages camaraderie, friendship and support among peers. For friends

and lovers of the arts, membership offers an opportunity to support the arts, join in artists' activities and provides information of upcoming events, shows and seminars.

Support your local art community
by becoming a member. We welcome
you!
