Summer

The Summer show is “Flora and Fauna”. Not only are flora and fauna vital to the balance of ecosystems, but they also bring us joy from the smells of flowers, the shade of trees, the beauty of grasslands and the interaction with creatures of all sizes. Get into the Summer mood with cooling refreshment and enjoy the paintings of your artist neighbors and welcome a new season.

Lamorinda Arts Alliance is a diverse group of artists, each on a unique artistic journey, whose work reflects their experiences, dreams, passions and heritage.

The exhibit was curated by LAA member Karen Baden Thapa. We thank her for her commitment to bring local art to the community.

For more information on Lamorinda Arts Alliance and to see more work by the member artists, please visit LAA4Art.org. We invite you and encourage you to become a member.
